TENDER FOR STATEMENT OF CAPABILITY FOR THE BUCCOO COMMUNITY DEVELOPMENT PROJECT FEASIBILITY STUDY AND DESIGN CONSULTING SERVICES

THE GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT) has received a Technical Assistance Loan (Loan No. 19/OR-TRI) from the Caribbean Development Bank (CDB) to assist in financing consultancy services for the preparation of the Buccoo Community Development Project (BCDP) in Tobago. Buccoo Village is located in the south-west of the island of Tobago and has approximately 1,000 residents. GORTT, through the executing agency, the Tobago House of Assembly (THA), seeks to determine the viability of the proposed BCDP and to complete the planning process for BCDP in order to facilitate the appraisal and financing of the capital project prior to its implementation.

Consultancy services relate to the planned improvements under the following components of BCDP:

- (a) a new multi-purpose community resource centre integrated with an upgraded goat racing facility;
- (b) a new relocated beach facility;
- (c) a new fish facility meeting Hazard Analysis Critical Control Points standards;
- (d) a new fish landing jetty;
- (e) a rehabilitated recreational jetty for reef-tour boats;
- (f) improvements to surface drainage;
- (g) waste water collection and treatment; and
- (h) roadway and sidewalk improvements.

The services will be delivered in two phases. Under Phase 1 for each of these components, the Consultants will be required to undertake preliminary designs, conduct feasibility studies, including environmental and social impact assessments and institutional assessments. Under Phase 2, the Consultants will be required to prepare final designs and related bid documents for each component.

The undertaking of Phase 2 will be contingent on the approval by GORTT, THA and CDB of the recommendations arising out of Phase 1 and the approval of the Environment Impact Assessment Report by the Environment Management Authority.

The Central Tenders Board (CTB) now invites eligible consultants to submit statements of capability to undertake the services under both Phases. In the assessment of submissions, consideration will be given to the technical competence, qualifications, local and regional experience on similar assignments, financial capability and present commitments. All information shall be submitted in the English Language.

Consultants shall be eligible for procurement if—

- (a) in the case of a body corporate, it is legally incorporated or otherwise organised in an eligible country, has its principal place of business in an eligible country and is more than 50% beneficially owned by a citizen or citizens and/or a *bona fide* resident or residents of an eligible country or countries or by a body or bodies corporate meeting these requirements;
- (b) in the case of individuals and unincorporated firms, the person or persons is or are a citizen or citizens or *bona fide* resident or residents of an eligible country; and
- (c) in all cases, the Consultant has no arrangement and undertakes not to make any arrangements whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not to a citizen or *bona fide* resident of an eligible country.

For the purpose of this consultancy, eligible countries are CDB Member Countries.
