## Section 7 (1) (a) (v)

Procedure to be followed when accessing a document from the National Lotteries Control Board.

### ■ General Procedure

Our policy is to answer all requests, both oral and written, for information. However, in order to have the rights given to you by the FOIA (for example, the right to challenge a decision if your request for information is refused), you must make your request in writing. The applicant must therefore complete the appropriate form (Request for Access to Official Documents) available in our Lobby for information.

### ■ Addressing Requests

To facilitate prompt handling of your request, please address it to the Designated Officer of the NLCB.

### ■ Details in the Request

Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If you are not sure how to write your request or what details to include, communicate with our Designated Officer.

### ■ Requests not handled under the FOIA

A request under the FOIA will not be processed to the extent that it asks for information which is currently available in the public domain, either from this public authority or from another public authority, for example, brochures and pamphlets etc.

### ■ Responding to your Request – Retrieving Documents

The NLCB is required to furnish copies of documents only when they are in our possession or we can retrieve them from storage. Information stored in the National Archives or another storage centre will be retrieved in order to process your request.

Prior to the commencement of the Freedom of Information Act, 1999, old records may have been destroyed in accordance with the Exchequer and Audit Act, Chapter 69:01. The granting of a request for such documents may, therefore, be impossible.

### ■ Furnishing Documents

An applicant is entitled to copies of information we have in our possession, custody or power. We are required to furnish only one copy of a document. If we cannot make a legible copy of a document to be released, we may not attempt to reconstruct it. Instead, we will furnish the best copy possible and note its quality in our reply.

Please note we are not compelled to do the following:

- (a) Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.

- (b) Perform research for you.

### ■ Time Limits

#### GENERAL

The FOIA sets certain time limits for us to decide whether to disclose the documents you have requested. If we fail to meet the deadlines, the FOIA gives you the right to proceed as if your request has been denied. We will try diligently to comply with the time limits, but if it appears that processing your request may take longer than the statutory limit, we will acknowledge your request and advise you of its status. Since there is a possibility that requests may be misaddressed or misrouted, you may wish to call or write to confirm that we have received the request and to ascertain its status.

### ■ TIME ALLOWED

We will determine whether to grant your request for access to information as soon as practicable but no later than 30 days as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be permitted to inspect the documents or be provided with copies, if you so request.

### ■ Fees and Refunds

The Freedom of Information Fees and Charges Regulations prescribe the fees related to the search, retrieval and provision of documents. You are entitled to receive the document/s within seven days of payment of the relevant fee. If we fail to provide the information within the seven day period you are entitled to a refund of the fees paid in addition to access to the document/s requested.
