THE GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT) has received financing from the Inter-American Development Bank (IDB), and has been applying part of the proceeds to payment under the project, Support for a Seamless Education System Programme. This is in keeping with the Government's official policy for development of the Education System and the nation's children through its transformation initiative.

Integral to the success of this Programme and the transformation initiative, is the strengthening of the MOE's ability to inculcate the requirements of its curricula to its students at all levels and to establish reliable indicators of performance measurement and management to guide the process of introduction of changes. The MOE has decided on the recruitment of the services of a firm with the requisite specialist expertise to advance the pursuit of this goal and is initiating the procurement process with the help of the Central Tenders Board (CTB).

The recruitment methodology applicable in this instance essentially involves the issuing of an Expressions of Interest Notice followed by the issuing of Request for Proposals (RFP) documentation to the short-listed firms.

Accordingly, on behalf of the Ministry of Education, the Central Tenders Board invites interested firms/institutions to submit their responses to this Expressions of Interest Notice.

Interested consulting firms/institutions must provide information establishing that they have the quality of staff and the managerial capacity to—

Interested consulting firms/institutions should indicate their experiences and expertise in the areas mentioned above as well as in—

- (1) The design and implementation of examination, testing and assessment systems.
- (2) The employment of IRT strategies and practices.
- (3) The design and implementation of relevant IRT and other training modules.
- (4) The design and development of Monitoring and Evaluation systems and tools which can provide reliable measurement and feedback.
