LOAN No.: LO 1965/OC-TT

THE GOVERNMENT OF TRINIDAD AND TOBAGO, through the Ministry of National Security has received financing from the Inter-American Development Bank (IDB), and intends to apply part of the proceeds to projects designed by the Citizen Security Programme to contribute to the reduction of crime and violence within twenty-two (22) "high needs" communities throughout Trinidad and Tobago.

The CSP will accomplish this through the financing of preventative interventions addressing the most proximal and modifiable risk factors for crime and violence. The programme is delivered through three (3) major components: (1) Community Action; (2) Assistance to the Trinidad and Tobago Police Service (TTPS); and (3) Institutional Strengthening of the Ministry of National Security.

A key strategy within the community action component is the establishment of Multi-Purpose Facilities/Youth Friendly Spaces in each of CSP's pilot communities. These Multi-Purpose Facilities/Youth Friendly Spaces are intended to provide a full range of accessible and affordable services to young people including skills building, training programmes, educational resources and support from trained youth development personnel. As a result, the CSP intends to construct, rehabilitate, or refurbish as necessary the identified community based sites; while also outfitting each site with furniture, fixtures and equipment.
