

LEGAL NOTICE NO. 298

REPUBLIC OF TRINIDAD AND TOBAGO

THE QUARANTINE ACT, CHAP. 28:05

ORDER

MADE BY THE CHIEF MEDICAL OFFICER UNDER SECTION 6(1) OF THE
QUARANTINE ACT

THE QUARANTINE (EBOLA VIRUS DISEASE) ORDER, 2014

1. This Order may be cited as the Quarantine (Ebola Virus Disease) Citation
Order, 2014.

2. In this Order, “Health Officer” has the same meaning assigned to Interpretation
it in regulation 2 of the Quarantine (Maritime) Regulations. No. 19 of 1944

3. For the purpose of the prevention of the spread of the Ebola Special
Virus Disease (“EVD”), the Health Officer may take the following Measure
special measures:

- (a) where an infection, which may be EVD, has occurred on board a ship during a period of six weeks immediately preceding its arrival at a port of Trinidad and Tobago, the surveillance of the crew and passengers who have been exposed to the infection, for a period of twenty-one days from the last day of possible exposure to the infection; or
- (b) where an infection, which may be EVD, has occurred on board an aircraft at any time immediately preceding its arrival at an aerodrome in Trinidad and Tobago, the surveillance of the crew and passengers who have been exposed to the infection, for a period of twenty-one days from the last day of possible exposure to the infection.

Dated this 17th day of October, 2014.

C. FURLONGE
Chief Medical Officer
