Background: The Registrar General's Department (RGD), Ministry of the Attorney General and Legal Affairs (MAGLA) is responsible for the registration, dissemination and preservation of real and personal property held in Trinidad and Tobago. Registration of land is administered under both the Common Law and Torrens systems. The RGD executes this mandate through a partially automated registration system and is in need of a more robust upgraded system to replace the existing solution. It is expected that the new solution will streamline the property registration process, improve the ease of doing business and ultimately improve the country's investment climate.

The consulting services include:

1. to design and implement an automated registration system that supports the registration of real and personal property records in Trinidad and Tobago;
2. to transfer data from existing systems to a new and upgraded solution (data conversion, migration and re-configuration);
3. to share data with key stakeholders, interface with their systems and integrate modules where necessary;
4. to recommend improvements to work flows at RGD locations in support of the management and business functions of the RGD;
5. to develop in-depth test plans and conduct respective testing to ensure complete functionality in keeping with MAGLA performance standards;
6. to recommend the required hardware equipment to support the performance and reliability of the proposed automated registration system;
7. to provide training, as is necessary for the introduction and use of the new automated registration system; and
8. to provide a three (3) year maintenance plan/service level agreement to provide updates, upgrades, patches and to conduct scheduled performance analysis/monitoring and evaluation.

In this regard, the Central Tenders Board (CTB), on behalf of the Executing Agency, the Ministry of the Attorney General and Legal Affairs, invites eligible Consulting Firm(s) to indicate their interest in providing information establishing their qualifications to perform the services required. - (c) experience in similar conditions;
- (d) availability of appropriate skills among staff;
- (e) financial capacity;

Short list shall comprise six firms with a wide geographic spread, with no more than two firms from any one country.

Interested firm(s) should have demonstrable consulting experience in the design and implementation of similar automated registration systems. All submissions must be supported.

Consultants will be selected in accordance with the procedures as specified in the Inter-American Development Bank's Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank (GN-2350-9) and is open to all eligible bidders as defined in the policies which can be found at website: <http://www.iadb.org/procurement>.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. For the purpose of establishing the short list, the nationality of a firm is that of the country in which it is legally incorporated or constituted and in the case of Joint Venture, the nationality of the firm appointed to represent it.
