The Government of the Republic of Trinidad and Tobago has received financing from the Inter-American Development Bank (IDB) for the project, Global Services Promotion Programme, and intends to apply part of the proceeds towards the Development and Implementation of an Investor Engagement Strategy for the Information Technology Enabled Services (ITeS) Sector in Trinidad and Tobago.

The objective of this consultancy is to formulate a strategy to engage foreign direct investment in the Information Technology enabled Services Sector of Trinidad and Tobago. The selected firm must conceptualize and deliver an Investor Engagement Strategy that specifically targets regional and international investors who are looking for locations and a workforce that can fulfill their Information Technology enabled service needs. The Investor Engagement Strategy must attract global, regional and local attention and therefore increase the country's potential to attract participation and investment.

In this regard, the Central Tenders Board (CTB) on behalf of the Executing Agency, the Ministry of Planning and Development, invites eligible Consulting Firms to indicate their interest in providing Consulting Services including but not limited to the following:

1. Identification of specific companies for the recruitment of investors;
2. Targeted marketing to secure investor leads and secure business development opportunities for companies, industry clusters and partnership;
3. To attract direct, operational investment to Trinidad and Tobago, thereby generating foreign currency, employment and investment; and
4. Identify and secure leads from the Diaspora—persons of Trinidad and Tobago heritage who have been living and working abroad who would invest in Trinidad and Tobago's ITeS Sector.

Interested firm(s) must provide information, not exceeding seventy five (75) pages to substantiate their qualifications and experience in providing these Consulting Services. Submissions must include:

- (a) a signed transmittal letter clearly indicating the nationality of the firm;
- (b) a profile of the firm providing general background information on the firm inclusive of years in operation, structure of the organization;
- (c) a description of experience in similar projects, assignments and conditions; and
- (d) availability of appropriate skills amongst staff in the form of a skills matrix illustrating the profile of key experts.

Any clarification/queries should be directed to the Officer at address two (2) below from Monday to Friday between 8:00 a.m. to 4:00 p.m. (local time).

The duration of the assignment is five (5) months.

This Expressions of Interest is open to all eligible bidders as defined in the policies which can be accessed at website: <http://www.iadb.org/procurement>. Consultants will be selected in accordance with the procedures set out in the Inter-American Development Bank: Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank (GN-2350-9).

An original and five (5) copies of the data should be placed in sealed envelopes and clearly marked: "Expressions of Interest for Consulting Services for the Development and Implementation of an Investor Engagement Strategy for the Information Technology Enabled Services Sector in Trinidad and Tobago, Ministry of Planning and Development, Government of the Republic of Trinidad and Tobago (GORTT) Inter-American Development Bank (IDB) Loan No. 3112/OC—TT".

Envelopes must be addressed to the Chairman, Central Tenders Board, at Address One (1) below and be deposited in the Brown Tenders Box located in the lobby of the Board's Office not later than 1:00 p.m. (local time) on Thursday 14th June, 2018.
