TENDER FOR EXPRESSIONS OF INTEREST FOR CONSULTING SERVICES TO DESIGN AND IMPLEMENT AN ENHANCED TTBIZLINK APPLICATION SOFTWARE FOR THE MINISTRY OF TRADE AND INDUSTRY, GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT) INTER-AMERICAN DEVELOPMENT BANK (IDB) LOAN NO. 3575/OC-TT

THE Government of the Republic of Trinidad and Tobago has received financing from the Inter-American Development Bank (IDB) for the Project, Strengthening of the Single Electronic Window (SEW) for Trade and Business Facilitation. Funding received for the project shall be applied to the above mentioned Consultancy.

The Government of the Republic of Trinidad and Tobago (GORTT) as part of its national strategy in 2009, launched a Single Electronic Window (SEW) for Trade and Business Facilitation Project, branded as TTBizLink, an on premise infrastructure IT-based trade facilitation solution. After three (3) phases of development, and with more than six thousand, five hundred (6,500) registered users, TTBizLink currently hosts forty six (46) transactional e-services administered by twenty four (24) government agencies across nine (9) separate Ministries. This current on premise infrastructure will be migrated to a cloud based infrastructure by first quarter of 2019.

The Scope of Services for the Consultancy is to design and implement a customizable, modern, enhanced TTBizLink Application Software Solution with the objective of achieving improvements in cost efficiency, agility and innovation. The Consulting Firm is also expected to plan the migration of the current system to the new solution, within the existing legislative and operational framework for the single window of Trinidad and Tobago and ensure that the online system seamlessly integrates with all other relevant stakeholder systems.

In this regard, the Central Tenders Board (CTB), on behalf of the Executing Agency, the MTI, invites eligible consulting firm(s) to indicate their interest in providing the Consulting Services. Interested firm(s) must provide information to substantiate their ability to perform the Consulting Services. Submissions must include, at a minimum, a company profile inclusive of a signed transmittal letter and project summary of experience in similar projects (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills amongst staff, financial capability, etc.)

This Consultancy requires Consulting Firm(s) to have the specific experience and/or capabilities and must substantiate such in the following areas:

<i>EOI Criteria</i>	<i>Evaluation</i>
Modern capabilities of offered application platforms	Brochure, catalogue etc. which include modern capabilities such as Artificial Intelligence, Blockchain and Internet of Things and that are applicable to single electronic windows.
Low code development capabilities of offered application platforms	Brochure, catalogue etc. that include declarative tools (point-and-click) that employ an array of techniques for developing and maintaining logic, workflows, business processes, forms, content, collaboration, security permissions and other application artifacts without writing code.
Typical costs of offered services and billing methodology for application platforms	Sample costs for typical customers, standard payment terms and billing methodology provided.
Implementation, migration and training procedure/time frame and any requirements from customer's side	Explanation detailing the methods and how long it typically takes the provider to provision and migrate to enhanced application platforms for a typical customer and provide training with respect to the provisioning of tools.
The standard Service Level Agreement (SLA) for ensuring the quality of services (such as application performance, agility and reliability parameters)	Inclusion of a typical SLA for modern applications along with sample dashboards and reports, and provide a brief explanation of operations and support services to assist with compliance to SLA.
Security and privacy compliance for application platforms	Details with respect to the security features that are offered and any internationally recognized certifications attained.
Developed and implemented single electronic windows according to WCO and UN/CEFACT guidelines or similar	Documentation describing experiences with at least three (3) single electronic windows or similar in the last five (5) years. This should include the ability to work with multiple agencies in a complex project environment to attain seamless integration and interoperability with multiple e-Government applications.
Financial capability	Letter of good standing from current bank etc.

Any clarification/queries should be directed to the Officer at Address two (2) below from Monday to Friday between 8:00 a.m. to 4:00 p.m. (local time).

The duration of the assignment is twelve (12) months for implementation and thirty six (36) months for support and maintenance.

Shortlist shall comprise six firms with a wide geographic spread, with no more than two firms from any one country.
