To:

Senator the Honourable Kazim Hosein,  
Minister of Rural Development and Local Government,  
Kent House,  
Maraval,  
Port-of-Spain

1. The Elections and Boundaries Commission (the Commission) is pleased to submit to you herewith, as required, its Ninth Report on the review of constituency boundaries for the purposes of Local Government Elections in Trinidad. This review was undertaken in keeping with the requirements of two (2) pieces of legislation contained in the Laws of Trinidad and Tobago, namely:

- (a) the Municipal Corporations Act, Chapter 25:04 (the first Act); and
- (b) the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) Act, Chapter 25:50 (the second Act).

2. Subsections (1) and (2) of section 11 of the first Act, provide as follows:

- “(1) Councillors shall be elected by the electors for each Municipality in the manner provided for in the Representation of the People Act.
- (2) The number of Councillors to be elected to the Council of each Corporation shall, subject to the provisions of the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) Act, be as set out in the Third Schedule, or in any Order made pursuant to section 5(2).”

3. Subsection 4(1) of the second Act specifies the following:

- “4(1) The Commission shall define and review the boundaries of the electoral districts into which an electoral area is, or is to be, divided and shall submit to the Minister reports either:
  - (a) showing the constituencies into which it recommends that an electoral area should be divided in order to give effect to the Rules set out in the Second Schedule; or
  - (b) stating that, in the opinion of the Commission, no alteration is required to the existing number or boundaries of electoral districts in order to give effect to the said Rules.”

Subsections 4(2)(a) and 4(2)(b) of this same Act require that:

- “4(2) Reports under sub-section (1) shall be submitted by the Commission—
  - (a) in the case of its first report after the commencement of this Act, not later than six months after the date of the commencement;
  - (b) in the case of any subsequent report, not less than two nor more than three years from the date of the submission of its last report;”

4. The Eighth Report of the Commission under the second Act for the purposes of Local Government Elections is dated 16th June, 2014. It follows, therefore, that the latest date by which the instant Report may be submitted is 15th June, 2017.

5. The Second Schedule of the second Act prescribes the Rules to be followed by the Commission, in its review of the number and boundaries of the electoral districts into which an electoral area is, or is to be, divided in order to give effect to the Rules in the said Schedule.

6. With respect to Municipal Corporations, Rule 4 of this schedule, provides these directions—

“The number of electors in an electoral district of a municipal electoral area shall be the number obtained by dividing the number of electors in that electoral area by the number of electoral districts shown opposite the name of that electoral area in the third column of Part 1 of the First Schedule, but the Commission may in consideration of topographical factors vary such number provided that in no case shall the number of electors in any one electoral district of an electoral area exceed or be less than the number of electors in any other electoral district of that electoral area by more than twenty-five percent.”

7. For Regional Corporations, Rules 1, 2 and 3 of the same schedule provide as stated hereunder:

Rule 1:

“The number of electors in each electoral district of a regional electoral area shall, so far as practicable, be the number obtained by the application of rule 2, but the Commission may, in consideration of rule 3 vary such number provided that in no case shall the number of electors in any one electoral district of an electoral area exceed or be less than the number of electors in any other electoral district of that electoral area by more than twenty-five percent.”
