**TWELFTH REPORT OF THE ELECTIONS AND BOUNDARIES COMMISSION
ON ITS DEFINITION AND REVIEW OF THE BOUNDARIES OF THE
ELECTORAL DISTRICTS IN THE ELECTORAL AREA OF TOBAGO**

To:

**Senator the Honourable Kazim Hosein,
Minister of Rural Development and Local Government,
Kent House,
MARAVALL**

1. In accordance with Section 4 of the Elections and Boundaries Commission (Local Government and Tobago House of Assembly) Act, Chap. 25:50 ("the Act"), the Elections and Boundaries Commission ("the Commission") submits its *Twelfth Report on the Definition and Review of the Boundaries of the Electoral Districts in the Electoral Area of Tobago*.
2. Section 4(1) and (2) of the Act provide as follows:
 - "4. (1) The Commission shall define and review the boundaries of the electoral districts into which an electoral area is, or is to be, divided and shall submit to the Minister reports either –
 - (a) showing the constituencies into which it recommends that an electoral area should be divided in order to give effect to the Rules set out in the Second Schedule; or
 - (b) stating that, in the opinion of the Commission, no alteration is required to the existing number of (sic) boundaries of electoral districts in order to give effect to the said Rules.
 - (2) Reports under subsection (1) shall be submitted by the Commission–
 - (a) in the case of its first report after the commencement of this Act, not later than six months after the date of the commencement;
 - (b) in the case of any subsequent report, not less than two nor more than three years from the date of the submission of its last report; and
 - (c) in the case of a report in reference to Tobago, not less than two nor more than four years from the date of submission of the last report."
3. The last report on the definition and review of boundaries in the electoral area of Tobago was submitted to the Honourable Minister of Rural Development and Local Government on 29th September, 2016. Consequently, the deadline for the presentation of the instant report is 28th September, 2020. The last election to the Tobago House of Assembly was held on 23rd January, 2017. Therefore, should the Assembly run its full term of four (4) years, the next election to that body becomes due not later than three (3) months after the statutory dissolution of the Assembly in February 2021, as is prescribed by section 22 of the Tobago House of Assembly Act, Chapter 25:03.

4. The Second Schedule of the Act, outlines the Rules to be used by the Commission in determining the number of electors for the electoral districts in the electoral area of Tobago, and are quoted below.

- “1. The number of electors in each electoral district of a regional electoral area shall, so far as practicable, be the number obtained by the application of rule 2, but the Commission may, in consideration of rule 3 vary such number provided that in no case shall the number of electors in any one electoral district of an electoral area exceed or be less than the number of electors in any other electoral district of that electoral area by more than twenty-five per cent.”
- “2. (2) There shall be twelve electoral districts in the electoral area of Tobago.”
- “3. In the division of electoral districts in regional electoral areas natural boundaries such as major highways and rivers shall be used wherever possible.”.

5. For the purpose of its deliberations, the Commission compared the existing electorate of 22 August, 2016 with that as at 23rd July, 2020. The relevant data are set out in the table attached hereto and marked **Appendix A**. The comparison revealed, *inter alia*, that:

- (a) the electorate in the twelve (12) electoral districts of Tobago rose from 48,677 to 50,789, an increase of 2,112;
- (b) the highest electorate is 4,649;
- (c) the lowest electorate is 3,759;
- (d) the highest electorate exceeds the lowest by twenty-three point six eight percent (23.68%);
- (e) the lowest electorate is nineteen point one four percent (19.14%) below the highest electorate;
- (f) twenty-five percent (25%) below the highest electorate is equal to 3,487; and
- (g) twenty-five percent (25%) above the lowest electorate is equal to 4,699.

Therefore, the electorate in each of the electoral districts neither exceeds nor is less than the number of electors in any other district of the electoral area of Tobago by more than twenty-five percent (25%).

6. Consequently, the Commission considers that no adjustment is necessary to the existing boundaries of the electoral districts in the electoral area of Tobago.
7. The Commission accordingly recommends that there should be no change in the boundaries of the twelve electoral districts in the electoral area of Tobago.

8. The Commission further recommends that:
- (i) each of the said twelve electoral districts in the electoral area of Tobago should carry the names as shown in **Appendix B** attached hereto;
 - (ii) each of the said twelve electoral districts should be defined as stated in **Appendix C** attached hereto; and
 - (iii) each of the twelve electoral districts in the said electoral area of Tobago should be delineated and defined as described in the composite map attached hereto as **Appendix D**, and titled *Tobago House of Assembly: Composite Map of Recommended Electoral Districts*.

Dated this 8th day of September, 2020.
