Government of the Republic of Trinidad and Tobago

The 2021 Public Statement
of the

TELECOMMUNICATIONS AUTHORITY OF TRINIDAD AND TOBAGO

in compliance with sections 7, 8 and 9 of the Freedom of Information Act 1999 (FOIA)

In accordance with sections 7, 8 and 9 of the Freedom of Information Act, 1999 (FOIA) the Telecommunications Authority of Trinidad and Tobago (the Authority) is required by law to publish and annually update the statements which list the documents and information generally available to the public.

The FOIA gives members of the public:

- 1) a legal right for each person to access information held by the Authority.
- 2) a legal right for each person to have official information relating to him/herself amended where it is incomplete, incorrect or misleading.
- 3) a legal right to obtain reasons for adverse decisions made regarding an applicant's request for information under the Act.
- 4) a legal right to complain to the Ombudsman and to apply to the High Court for Judicial Review to challenge adverse decisions made under the FOIA.

Section 7 Statements

Section 7 (1) (a) (i)

The Authority is a body corporate established by virtue of the Telecommunications Act, Chapter 47:31 (the Act). The Act vests the Authority with powers to:

- create an environment for sustainable competition, investment opportunities, and orderly development of the telecommunications and broadcasting sectors.
- ensure the efficient and effective utilization of the national spectrum resource, and the harmonization of related systems.

- promote and protect the interests of the consumer.
- promote universal access to telecommunications services.
- operate consistent with Trinidad and Tobago's international commitments in relation to the liberalization of the telecommunications sector.
- regulate broadcasting services consistent with the Constitution of the Republic of Trinidad and Tobago.

In furtherance of these objectives the Authority is required to deal, on a regular basis, with the providers of telecommunications and broadcasting networks and services.

The Authority also has responsibility to users of those networks and services in relation to quality of service and network standards, consumer rights and obligations and the handling of consumer complaints, as well as any matter ancillary to the provisions of those networks and services as they impact upon the public.

Furthermore, the Authority seeks to involve the public in consultations regarding the formulation of its policies and regulations as they apply to both the public and private network and service providers. This is to ensure that the policies and regulations meet and take into account the users of such networks and services, and the public at large.

Mission Statement

Developing a dynamic, progressive ICT environment, through efficient service delivery, to foster quality, affordable services, together with innovative and sustainable businesses in the emerging digital economy

Vision Statement

A leading ICT regulator, enabling an empowered and connected society

Structure and Functions of the Authority

The Board

The Board which is appointed by the President of the Republic of Trinidad and Tobago, manages the affairs of the Authority and exercises and performs such duties as are conferred upon it by the Act and by any other written law.

The Board comprises the following members:

- Mr. Gilbert Peterson, S.C. (Chairman)
- Dr. Kim Mallalieu (Deputy Chairman)
- Ms. Fatima Aziz-Mohammed
- Mr. Keyun Boatwain
- Mr. Rhondall Feeles
- Mr. Devon Seale

The Authority is structured into six divisions: Corporate Communications, Finance and Accounting, Policy Planning and Economics, Legal and Enforcement, Technology and Engineering and General Administration.

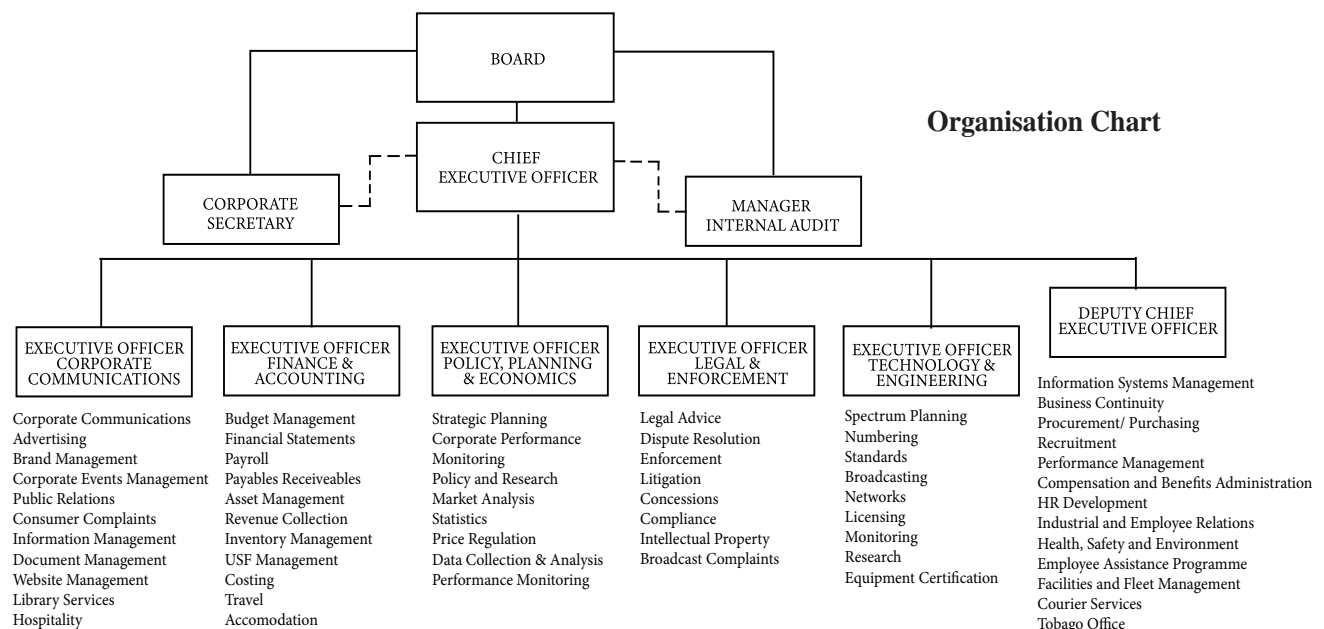

Five of the six divisions are headed by an Executive Officer while the sixth is headed by the Deputy Chief Executive Officer. All executive positions report directly to the Chief Executive Officer.

- **The Chief Executive Officer (CEO)**
The CEO is a legislated position. The CEO manages the affairs of the Authority subject to the directions of the Board. The CEO reports to the Board of the Authority. The CEO also has administrative responsibility for the Corporate Secretary and the Manager, Internal Audit.
- **Internal Audit**
The Internal Audit department is responsible for providing the Board and Management of the Authority with independent assurance, and consulting in the areas of controls, risk management and governance processes.
- **General Administration (Office of the Deputy CEO)**
This division consolidates enterprise-wide support services of Information Technology, Procurement, Facilities and Administration, Human Resource and the Authority’s Tobago office

into a single department which, based on specialised knowledge, best practices and technology, serve internal (and sometimes external) stakeholders and business partners.

- **Corporate Secretary**
The Corporate Secretary is responsible for such matters as the Board may determine. Additionally, the Corporate Secretary is secretary of all Board committees which include the Board Tenders Committee and the Operations Tenders Committee of the organisation.
- **Corporate Communications**
This division is responsible for planning and executing internal and external communications, public education activities and matters related to consumer affairs as well as management of the Authority’s corporate records, website and library.
- **Policy, Planning and Economics**
This division is responsible for policy, planning, research, data collection, pricing, costing and economic modelling.
- **Finance and Accounting**
This division is responsible for all financial matters including providing strategic advice to executives, with timely and accurate oversight over accounting, finance and universal service fund operations, as well as the design and maintenance of the financial reporting structures including producing and managing the budget and the preparation of financial statements of the Authority.
- **Legal and Enforcement**
This division is responsible for all matters relating to legal and enforcement issues. This includes the provision of legal advice to the Authority, reviewing of concessions applications and ensuring compliance with all applicable laws. It is also responsible for the conduct of any legal proceedings entered into by the Authority.
- **Technology and Engineering**
This division is responsible for the key business areas of licensing; spectrum planning and broadcasting (wireless functions); monitoring and networks; numbering and standards.

Addressing Requests

To facilitate the prompt handling of a request, please contact or write to the Designated Officer of the Authority (see section 7(1)(a)(vi)).

Mrs. Amrickha Ramsumair (Designate)

Manager - Document Management and Information Services
Telecommunications Authority of Trinidad and Tobago
#5 Eighth Avenue Extension, off 12th Street
Barataria, Trinidad and Tobago
West Indies
Telephone number: (868) 675 8288
Fax Number: (868) 674 1055
E-mail Address: foia@tatt.org.tt

Details in the Request

Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided, clarification will be sought from the applicant. If the applicant is unsure how to write his/her request or what details to include, the applicant should communicate with the Authority's Designated Officer.

Requests Not Handled under the FOIA

In accordance with Section 12 of the FOI Act, requests that will not be processed are as follows:

- a. Documents which contain information which is open to public access, as part of a public register
- b. Documents which contain information that is available for purchase by the public
- c. Documents that are available for public inspection in a registry maintained by the Registrar General or other public authority
- d. Documents which are stored for preservation or safe custody

Responding to your Request**Retrieving Documents**

The Authority is only required to furnish copies of documents that it has in its possession or can be retrieved from storage.

Prior to the commencement of the FOIA, old records may have been destroyed. The granting of a request for such documents may therefore not be possible. Various laws, regulations and manuals give the time periods for which records may be kept before they are destroyed. See for reference the Exchequer and Audit Act, Chap 69:01:

http://rgd.legalaffairs.gov.tt/Laws2/Alphabetical_List/lawspdfs/69.01.pdf

Furnishing Documents

An applicant is entitled to access copies of information which the Authority has in its possession, custody or power. The Authority is required to furnish only one (1) copy of a document. If the Authority cannot make a legible copy of a document to be released, we may not attempt to reconstruct it. Instead, the Authority will furnish the best copy possible and note its quality in our reply.

Please note the Authority is not compelled to do the following:

- (a) Create new documents. For example, the Authority is not required to write a new program so that a computer will print information in the format preferred by the applicant.
- (b) Perform research for the public.

Time Limits**General**

The FOIA sets a time limit of 30 days after the day the request was made to notify the applicant of the approval or refusal of the request for access to documents. The Authority will acknowledge your request and advise you of its status. Since there is a possibility that requests may be incorrectly addressed or misdirected, you may wish to call or write to confirm that we have received the request and to ascertain its status.

Time Allowed

The Authority will determine whether to grant your request for access to information as soon as practicable but no later than 30 days from the date the request was made as required by section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be permitted to inspect the documents and/or be provided with copies.

Refusal of Requests

If it is determined that the information requested cannot be disclosed, then the applicant is informed of the refusal and the rights of the applicant according to the FOIA.

Section 7 (1) (a) (vi)**Officers in the Authority are responsible for:**

- (1) the initial receipt of and action upon notices under section 10.
- (2) requests for access to documents under section 13.
- (3) applications for correction of personal information under section 36 of the FOIA.
