BILL

AN ACT to amend the Immigration (Caribbean
Community Skilled Nationals) Act, Chap. 18:03

THE IMMIGRATION (CARIBBEAN COMMUNITY SKILLED NATIONALS) (AMENDMENT) BILL, 2022

Explanatory Note

(These notes form no part of the Bill but are intended only to indicate its general purport)

The Bill seeks to amend the Immigration (Caribbean Community Skilled Nationals) Act, Chap. 18:03 (hereinafter referred to as “the Act”) to, among other things, expand the categories of skilled nationals from other qualifying Caribbean Community States to enter Trinidad and Tobago under the CARICOM Single Market and Economy regime.

Clause 1 of the Bill would cite the short title of the Act as being “The Immigration (Caribbean Community Skilled Nationals) (Amendment) Act, 2022”.

Clause 2 of the Bill would allow the Act to come into operation on a day to be fixed by the President by Proclamation.

Clause 3 of the Bill would specify the interpretation of the words “the Act” to mean the Immigration (Caribbean Community Skilled Nationals) Act, Chap. 18:03.

Clause 4 of the Bill would amend section 2 of the Act, principally, to expand the definitions of “certificate” and “dependent member of the family” and to include a new definition for “CSME” and “principal beneficiary”.

Clause 5 of the Bill would amend the Act by repealing sections 3 and 4 and replacing these provisions in reverse numerical order. The reversal of the numerical order of these provisions would, as a consequence, allow for matters involving the entry of a skilled person for a period of six months to be first considered and, thereafter, matters involving entry of a skilled national for an indefinite duration.

Clause 6 of the Bill would amend the Act by inserting after section 4A, new sections 4B and 4C. The new section 4B would specify the circumstances under which a certificate that was previously verified as being valid, may subsequently be deemed to be invalid. The new section 4C would state what the holder of a certificate needs to do if he is desirous of changing employment outside of approved categories.

Clause 7 of the Bill would amend section 5 of the Act by revoking subsection (2) and substituting it with subsections (2)(a), (b), (c) and (d). Subsections (2)(a), (b) and (c) would allow the Minister with responsibility for immigration to revoke the status of a permitted entrant in certain circumstances and subsection 2(d) would allow the Minister with responsibility for immigration to revoke the permission granted under the Act where the certificate is deemed to be invalid by the Minister of Foreign and CARICOM Affairs. This clause would also insert new subsections (4), (5), (6), (7), (8) and (9). It is noted that subsections (4), (5) and (6) would require the Minister to whom responsibility for immigration is assigned to give a person who has been granted rights and privileges under the Act, written notice of his intention to revoke his rights and privileges and an opportunity to show cause why they should not be revoked.

Clause 8 of the Bill would amend section 6 of the Act, by renumbering section 6 as section 6 (1) which states that the Ministerial certificate, to be applied for, is in the form set out in Part C of Schedule II. This clause will also insert a new subsection (2) stating that the application for the certificate is in the form specified in Part A of Schedule II.

Clause 9 of the Bill would amend section 7 of the Act, to insert the words “Part C of”, after the words “grant a certificate set out in”.

Clause 10 of the Bill would amend the Act, by inserting after section 7, new sections 7A, 7B and 7C. These new sections would establish a Caribbean Community Skilled Nationals Register which would be required to be maintained by a senior officer assigned by the Minister with the responsibility of maintaining the CSME Register. The senior officer assigned with the responsibility of maintaining the CSME Register would be referred to for the purposes of the new sections, as the CSME Registrar.

Clause 11 of the Bill would amend section 8(1) of the Act, by deleting paragraphs (a),(b),(c) and (f). Paragraph (e) would also be deleted and substituted with a new paragraph (e) that would allow for the issuance of a skills certificate where the issuing authority has been accredited by the Accreditation Council of Trinidad and Tobago and the certificate is recommended to be issued by the University of the West Indies. A new paragraph (ea) would also be inserted to allow for non-academic qualifications or other qualifications accredited under section 8 of the Accreditation Council of Trinidad and Tobago Act, Chap. 39:06.

Additionally, this clause would also repeal subsection (2) and substitute it with new subsections (2) and (2A). The latter would allow the Minister, by Order, subject to negative resolution of Parliament, to amend Schedule V which deals with prescribed fees and approve the competent body for the purposes of subsection (2) (a) of section 8.

Clause 12 of the Bill would amend the Act by repealing and substituting section 9A of the Act. The new section 9A would be reconfigured to allow the specified categories of skilled nationals to be listed in a new Schedule III which can, thereafter, be amended by the Minister by Order subject to negative resolution of Parliament.

Clause 13 of the Bill would amend section 10 of the Act by inserting a new subsection (1A), that would allow the spouse of a principal beneficiary exercising his rights and privileges granted under the Act, to work in Trinidad and Tobago without the need of obtaining a work permit.

Clause 14 of the Bill would repeal and substitute section 13 of the Act which would extend the regulation making powers of the Minister.

Clause 15 of the Bill would amend section 14 of the Act by deleting the words “affirmative resolution” and substituting the words “negative resolution”.

Clause 16 of the Bill would amend section 15(1) of the Act to reconfigure the language of this section, consistent with other sections of a similar nature throughout the Act.

Clause 17 of the Bill would amend section 16 of the Act to increase the sanctions that may be imposed from five thousand dollars and to imprisonment for six months to one hundred thousand dollars and to imprisonment for five years.

Clause 18 of the Bill would amend the Act by inserting after section 16, a new section 17. This new section 17 would allow a divorced spouse of a principal beneficiary to continue to enjoy the rights and privileges conferred under the Act where that person lived with the principal beneficiary for a continuous period of five years or more prior the date of being divorced.

Clause 19 of the Bill would amend Schedule II of the Act to create a new Part A, Part B and Part C in the Schedule. The new Part A would specify the necessary application form required when applying for a Certificate of Recognition, whereas Parts B and C would specify the application form required when applying for the verification of a Certificate of Recognition and the form of Skills Certificate respectively.

Additionally, the clause would insert after Schedule II, new Schedules III and IV and V which would specify the qualification requirements needed to have been satisfied for the purposes of the Act, stamps to be affixed on passports of persons entering Trinidad and Tobago for either six months or an indefinite duration and applicable fee for applications under the Act respectively.
