Section 7 Statements**Section 7 (1) (a) (i)****Function and Structure of the Environmental Management Authority****Mission Statement:**

The Environmental Management Authority (EMA) is committed to sustainably manage the natural resources and environment by providing a transparent framework to facilitate policy and decision making in development. This will be undertaken within an approved regulatory system, utilising intensive public education and a collaborative cross-sectoral approach.

The EMA is a body corporate established on June 5th 1995 by the Environmental Management Act No. 3 of 1995. The Act was later repealed and re-enacted by the Environmental Management Act No. 3 of 2000 (“the EM Act”) (now designated as Chapter 35:05).

The EMA is governed by a Board consisting of a Chairman and nine (9) directors, all appointed by the President of the Republic of Trinidad and Tobago. The Managing Director (MD) is appointed by the Board and is also an *ex-officio* Board member. The Chairman of the Board reports to the Minister with responsibility for the Environment.

The EMA comprises of a staff one hundred and thirty-eight (138) persons and thirteen (13) Environmental Police Officers headed by the Managing Director. The Environmental Management Authority is divided into the following operational departments:

- (1) Managing Director’s Office,
- (2) Technical Services,

2022 PUBLIC STATEMENT OF THE ENVIRONMENTAL MANAGEMENT COMMISSION—CONTINUED

The core functions of this department are as follows:

- To provide logistical support to the organisation;
- To make available, timely and accurate and complete information on the financial performance and status of the EMA for sound decision-making;
- To ensure the implementation of good governance principles and accountability;

Effect of Functions on Members of the Public:

The Environmental Management Act, Chap. 35:05 mandates the EMA:-

- To implement government policies;
- To undertake programmes for the effective management and wise use of the environment;
- To co-ordinate environmental management functions performed by persons in Trinidad and Tobago;
- To promote education and awareness;
- To develop and establish national environmental standards and criteria;
- To undertake monitoring and inspection activities;
- To prevent and control pollution;
- To promote conservation;
- To establish and co-ordinate local, regional and international institutional linkages;
- To facilitate co-operation among persons as well as manage the environment in a manner which fosters public participation and promotes consensus.

The work of the EMA, therefore, impacts every sector and citizen of the country. The EMA solicits feedback from citizens through requests for public comments, public consultations, committees and advisory bodies. Each citizen has an opportunity to be involved in the formulation of policy, standards and other criteria affecting the environment through attendance at, and response to requests for public comments on various draft legislation, policies and development projects. Citizens may also lodge complaints or report violations.
