Section 7 (1) (a) (v)**Procedure to be followed when accessing a document from Caroni (1975) Limited****HOW TO REQUEST INFORMATION:**

- *General Procedure*

Our policy is to answer all requests for information whether oral or written. However, in order to have the rights given to you by the FOIA (for example the right to challenge a decision if your request for information is refused), you must make your request in writing. The applicant must, therefore, complete the appropriate form (Request for Access to Official Documents) that can be downloaded from the Government's FOIA website: www.foia.gov.tt.

- *Addressing Request*

To facilitate the prompt handling of your request, please address it to the Designated Officer of Caroni (1975) Limited named in Section 7 (1) (a) (vi).

- *Details in the Request*

Applicant should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided clarification will be sought from the applicant. If you are not sure how to write your request or what details to include, communicate with the Designated Officer.

REQUEST NOT HANDLED UNDER THE FOIA

- A request under the FOIA will not be processed, if the information requested is readily available to the public, either from this public authority or from another public authority, for example brochures, pamphlets, reports, etc.

TIME LIMITS

- *General*

The FOIA sets a time limit of thirty (30) calendar days for determination of your request for access to documents. The Company will try diligently to comply with the time limit. If it appears that processing your request may take longer than the statutory time limit, the Company will

acknowledge your request and advise you of its status. Since there is a possibility that your request may be incorrectly addressed or misdirected, you may wish to call or write to confirm that the Company has received the request and to ascertain its status.

- *Time allowed*

The Company will determine whether to grant your request for access to information as soon as practicable but no later than 30 days as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be permitted to inspect the documents and/or be provided with copies.

RESPONDING TO YOUR REQUEST

- *Retrieving Documents*

Prior to the commencement of the FOIA old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time period for keeping records before documents may be destroyed.

- *Furnishing Documents*

An applicant is entitled to copies of information that the Company has in its possession, custody or power, except Board Minutes and Leases. The Company is required to furnish only one copy of a document. If the Company cannot make a legible copy of a document, the Company may not attempt to reconstruct it. Instead, the Company will furnish the best copy possible and note its quality in the reply.

Please note the Company is not compelled to do the following:

- (a) Create new documents. For example, the Company is not required to write a new programme so that a computer will print information in the format the applicant prefers.
- (b) Perform research for the applicant.

FEES AND CHARGES

- Section 17 (1) stipulates that no fee shall be charged by a public authority for the making of a request for access to an official document. However, where access to an official document is to be given in the form of printed copies or copies in some form such as a digital storage
