STATEMENT FROM SENATOR THE HONOURABLE RANDALL MITCHELL, MINISTER OF TOURISM, CULTURE AND THE ARTS IN ACCORDANCE WITH SECTION 7(4) OF THE FREEDOM OF INFORMATION ACT, CHAP. 22:02 (“FOIA”)

By Trinidad and Tobago Gazette (Extraordinary) Vol. 59 No. 158 dated 9th day of September, 2020, the Culture and the Arts Division of the former Ministry of Community Development, Culture and the Arts was merged with the Ministry of Tourism, into a single entity, the Ministry of Tourism, Culture and the Arts (“the Ministry”).

The Ministry is, by definition, a “public authority” under section 4 the FOIA and as such, is required to annually publish statements (“FOIA Statement”) in accordance with sections 7, 8 and 9 of the FOIA. In full acknowledgment of the critical nature of this legislation, the Ministry continuously strives to maintain full and meticulous compliance with this statutory obligation. Notwithstanding, the Ministry omitted to publish its FOIA Statement for 2020.

This omission was attributed to the COVID-19 global pandemic as declared by the World Health Organization on the 11th day of March, 2020. Following this declaration, the Government of the Republic of Trinidad and Tobago (“GoRTT”) implemented several periods of unprecedented restrictive protocols and policies pursuant to the Public Health Regulations with a view to limiting the movement of persons to prevent the spread of COVID-19, the effect of which invariably impacted upon the usual functioning of the entire Public Service.

In the remaining months of the year 2020, subsequent to the aforesaid merger, the Ministry was burdened with the management of its COVID-19 infection rates as well as with the myriad associated risks and quarantine requirements, which in some instances, severely crippled the full complements of the Ministry’s Units. As a result, the normal operations and functioning of the Ministry were inevitably compromised. This was further exacerbated by the implementation of the GoRTT’s stay-at-home initiatives for the Public Sector in an effort to reduce social interaction. Importantly, however, the Ministry in 2021, in accordance with the requirements of sections 7, 8 and 9 of the FOIA, published an FOIA Statement.

The Ministry fully recognises the paramount importance of compliance with the FOIA and will faithfully and unwaveringly continue in its compliance thereto. In the current year of 2022, the Ministry will continue to carry forward its compliance and shall cause prompt and accordant publication bringing up to date its 2021 FOIA Statement.

Senator the Honourable Randall Mitchell
Minister of Tourism, Culture and the Arts

Government of the Republic of Trinidad and Tobago
