TENDER FOR REQUEST FOR EXPRESSIONS OF INTEREST FOR CONSULTING SERVICES

SUPPORT FOR A SEAMLESS EDUCATION SYSTEM PROGRAMME, MINISTRY OF EDUCATION (MOE), GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT), INTER-AMERICAN DEVELOPMENT BANK (IDB) LOAN 2138/OC—TT

THE GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT) has embarked on a Support for a Seamless Education System Programme and has received funding from the IDB towards the cost of this programme. The programme is in keeping with one of the mandates of GORTT’s Strategic Plan—Vision 2020—which is to establish a world class, self-renewing, and seamless education system for Trinidad and Tobago.

Through the Support for a Seamless Education System Programme, the GORTT will ensure a well articulated and harmonized education system ranging from the early childhood care and education through the secondary levels with the linkages to the tertiary level and the world of work. The Programme will implement measures aimed at improving quality, equity and access throughout the education sector. Such measures include the conduct of an overall needs assessment for the Education Management Information System (EMIS), the Knowledge Management System (KMS) and the integration of existing databases in the Ministry of Education and the development of Terms of Reference for the design and implementation of these systems and the integration of existing databases in the Ministry of Education.

In this regard, the Central Tenders Board invites eligible consulting firms/universities to indicate their interest in providing technical assistance to facilitate the implementation of the programme in the following two (2) subject areas:

- (i) Conducting Needs Assessment for the Education Management Information System, the Knowledge Management System and the Integration of Existing Databases and for developing Terms of Reference for the design and implementation of an EMIS, a KMS and integration of existing databases within the Ministry of Education.

The consultancy is estimated to require 140 non-consecutive working days starting in May and ending in December, 2010. Consulting firms/universities are required to demonstrate their expertise in (i) conducting needs assessment on EMIS, KMS and the integration of databases and (ii) developing Terms of Reference for the design and implementation of (a) an EMIS, and a KMS and (b) the integration of databases. The consulting firms/universities must also demonstrate the capacity to undertake large scale data gathering and analysis within a large organization which has internal as well as external stakeholders.

591—Continued

TENDER FOR REQUEST FOR EXPRESSIONS OF INTEREST FOR CONSULTING SERVICES—CONTINUED

The consulting firms/universities will be selected in accordance with the procedure set out in the document GN-2350-7 (IDB: Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank) dated July, 2006. Universities must demonstrate that they satisfy clause 1—11(b) of the Bank policies for the selection and contracting of consultants which state that—

“Government owned enterprises or institutions in the Borrower’s country may participate only if they can establish that they—

- (i) are legally and financially autonomous;
- (ii) operate under commercial law; and
- (iii) are not dependant agencies of the Borrower or Sub-Borrow”.

Eligible consulting firms are invited to provide information establishing that they are qualified to perform these services and they must therefore demonstrate via their *Curricula Vitae* and the *Curricula Vitae* of their team members, adequate capacity; experience and expertise in this specific consulting area. They must also indicate—

- (i) that they have the financial and management capacity to execute the assignment; and
- (ii) the current consultancies in which they are now engaged.

Consulting firms/universities may associate with other personnel/firms to enhance their qualifications.

Selection will be done in accordance with the policies of the IDB detailed in the “Policies for Selection and Contracting of Consultants financed by the IDB” which can be found at the website: <http://www.iadb.org/procurement>.

The selection criteria include the following:

- (i) An understanding of the work required in the areas of interest.
- (ii) Capacity to design projects/programmes as required in the Expressions of Interest.
- (iii) Similar experience in the required area of work in developing countries.
- (iv) Current workload (to be demonstrated by the number of on-going assignments).
- (v) Financial capability and commitment.

The information collected will be used to prepare a short list of firms/universities to be invited to submit detailed proposals.

Further information/clarification may be obtained from address (1) below from Monday to Friday during the hours of 8.30 a.m. to 4.00 p.m. local time.

One (1) original and three (3) copies of the information must be placed in a sealed envelope and must be delivered to the Chairman, Central Tenders Board at address (2) below not later than 1.00 p.m. local time of Thursday 29th April, 2010. The envelope must be clearly marked: “Expressions of Interest—Support for a Seamless Education System Programme, Ministry of Education, Government of the Republic of Trinidad and Tobago (GORTT) Conducting Needs Assessment for the Education Management Information System (EMIS), the Knowledge Management System (KMS) and the Process of Integration of Existing Databases within the Ministry of Education”, and must be deposited in the BROWN Tenders Box, located in the lobby of the Board’s Office.

Applications will be opened publicly shortly thereafter. The tenderer or his representative may be present at the opening.

The Central Tenders Board reserves the right to cancel the present process in its entirety or even partially, without defraying any cost incurred by any firm submitting their application.

Late applications will not be considered in any circumstances.

Interested consultants are advised that the Request for Expressions of Interest Notice will be advertised in the UNDB online and on the IDB’s Website.
