PROCEDURE TO ACCESS DOCUMENTS

The Service Commissions Department is willing to answer all requests both oral and written for information. However, applicants must make their request in writing by completing the prescribed "Request for Information" form available in the Reception area of the Service Commissions Department. These forms must only be completed for information that is not readily available in the public domain or from another public authority.

ADDRESSING REQUESTS

To facilitate the prompt handling of requests, please address them to the Designated Officer of the Service Commissions Department.

DETAILS IN THE REQUEST

Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided clarification will be sought from the applicant. If you are not sure how to write your request or what details to include, communicate with our Designated Officer.

REQUESTS NOT HANDLED UNDER FOIA

A request under the FOIA will not be processed to the extent that it asks for information, which is currently available in the public domain, either from the Service Commissions Department or from another public authority, for example brochures and pamphlets etc.

**RESPONDING TO YOUR REQUEST
RETRIEVING DOCUMENTS:**

The Service Commissions Department is required to furnish copies of documents only when they are in its possession or where it can be retrieved from storage. Information stored in the National Archives or another storage center, will be retrieved in order to process your request.

Note: Prior to the commencement of the Freedom of Information Act, 1999 old records may have been destroyed. The granting of a request for such documents may therefore be impossible. Various laws, regulations and manuals give the time periods for keeping records before they may be destroyed. For example, the Exchequer and Audit Act, Chap. 69:01.

FURNISHING DOCUMENTS

An applicant is entitled to copies of information we have in our possession, custody or power. We are required to furnish only one copy of a document. If we cannot make a legible copy of a document to be released, we may not attempt to reconstruct it. Instead, we will furnish the best copy possible and note its quality.

**PLEASE NOTE WE ARE NOT COMPELLED
TO DO THE FOLLOWING:**

- ◆ Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.
- ◆ Perform research for you.

TIME LIMITS**GENERAL**

The FOIA sets certain time limits for us to decide whether to disclose the documents you have requested. If we fail to meet the deadlines, the FOIA gives you the right to proceed as if your request has been denied. We will try diligently to comply with the time limits, but if it appears that processing your request may take longer than the statutory limit, we will acknowledge your request and advise you of its status. Since there is a possibility that requests may be misaddressed or misrouted, you may wish to call or write to confirm that we have received the request.

TIME ALLOWED

We will determine whether to grant your request for access to information as soon as practicable but no longer than 30 days as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, you will be permitted to inspect the documents or be provided with copies, if you so request.
