

LEGAL NOTICE No. 164

REPUBLIC OF TRINIDAD AND TOBAGO

THE PETROLEUM ACT, CHAP. 62:01

ORDER

MADE BY THE MINISTER UNDER REGULATION 4 OF THE PETROLEUM  
REGULATIONS

THE PETROLEUM REGULATIONS (DEEP WATER  
COMPETITIVE BIDDING) ORDER, 2013

WHEREAS the Minister of Energy and Energy Affairs (“the Minister”) is <sup>Preamble</sup> empowered by section 6(3) of the Petroleum Act, Chap. 62:01 of the laws of the Republic of Trinidad and Tobago (“the Act”) *inter alia* to enter into and sign an agreement (“a production sharing contract”) for the purpose of carrying out petroleum operations relating to the exploration, production and disposition of petroleum:

And whereas the Minister has determined that production sharing contracts should be entered into in respect of the public petroleum rights for deep-marine areas off the north-eastern and eastern coasts of Trinidad and Tobago, more particularly described in Schedule I hereto:

And whereas in accordance with section 10 of the Act, the President may determine that the entry into production sharing contracts within the meaning of section 6 thereof, shall be subject to a procedure of competitive bidding in accordance with the Petroleum Regulations (“the Regulations”):

And whereas the President has determined that the entry into the production sharing contracts in respect of the public petroleum rights in the said deep marine areas off the north-eastern and eastern coasts of Trinidad and Tobago shall be subject to a procedure of competitive bidding in accordance with the Regulations:

And whereas regulation 4 of the Regulations provides that where the President has under section 10 of the Act determined that an area shall be subject to competitive bidding, the Minister shall make an Order to that effect, which shall specify in respect of each area, the geographical description, the period during which the bids may be presented and any other conditions and details which the Minister may consider proper for the purpose:

Now, therefore, in exercise of the powers vested in the Minister under regulation 4 of the Regulations, the Minister makes the following Order:

Citation                    1. This Order may be cited as the Petroleum Regulations (Deep Water Competitive Bidding) Order, 2013.

Areas subject to competitive bidding process                    2. The deep marine areas in respect of which the President has determined that the award of production sharing contracts relating to public petroleum rights shall be subject to a procedure of competitive bidding, comprise six blocks which are more particularly described in Schedule I and illustrated on the map attached hereto, as Schedule I  
Schedule II                    Schedule II.

Bids invited                    3. Bids for production sharing contracts in respect of the blocks described in Schedule I are invited for the carrying out of exploration and production operations in the deep marine areas referred to in clause 2.

Form of and time for presentation of bids                    4. (1) Bidders shall submit their bids in duplicate, under confidential cover, in sealed envelopes marked "Bid for Production Sharing Contract", with the block applied for clearly marked, to the office of the Permanent Secretary, Ministry of Energy and Energy Affairs, Level 26, Tower C, Energy Trinidad and Tobago, International Waterfront Centre, No. 1 Wrightson Road, Port-of-Spain, Republic of Trinidad and Tobago, West Indies from the date of this Order until 12.00 noon on 31st January, 2014.

(2) Bidders shall be at liberty to request, in writing or by telefax, any further information which may be required in order to complete a bid or any interpretation thereof, such request to be made to the—

Schedule I

(3) Persons interested in conducting exploration and production operations in any of the blocks described in Schedule I, shall submit a separate bid application in respect of each block.

(4) Notwithstanding anything to the contrary which may be contained or implied in this Order, the Ministry of Energy and Energy Affairs (“the Ministry”) does not bind itself to accept any bid or part of a bid submitted pursuant to this Order and the Ministry further reserves the right to reject any and all bids.

(5) The Ministry shall notify unsuccessful bidders in writing as soon as possible after the award of production sharing contracts.

(6) After the public opening of bids, the Ministry may disclose the process or information relating to the examination, clarification, evaluation and comparison of bids or recommendations concerning the award of production sharing contracts.

(7) Any effort by a bidder to influence the Ministry in the process of examination, clarification, evaluation and comparison of bids and in decisions concerning the award of production sharing contracts may result in the rejection of the bidder’s bid.

Pre-bid application fee

5. (1) Persons intending to bid either individually or as a member of a consortium shall pay to the Permanent Secretary in the Ministry, prior to the close of bids as referred to in clause 4(1), a pre-bid application fee of fifty thousand dollars (US\$50,000.00) in the currency of the United States of America.

(2) The pre-bid application fee under subclause (1) entitles the bidder to bid on any block or blocks of interest.

Data packages

6. Payment of the pre-bid application fee referred to in clause 5 shall be a prerequisite for the submission of a bid and entitles the prospective bidder to receive from the Ministry a data package which shall include—

- (a) the Petroleum Regulations (Deep Water Competitive Bidding) Order, 2013;
- (b) the Model Production Sharing Contract, 2013 for Deep Water Areas (“Model PSC”);
- (c) the Model Joint Operating Agreement (“JOA”);

(d) the Trinidad and Tobago Energy Sector Local Content and Local Participation Framework; and

(e) any relevant information with respect to the area or area(s) for which a bid or bids may be presented.

Bid application fee

7. In addition to the pre-bid application fee, a bid application fee of sixty thousand dollars in the currency of the United States of America (US\$60,000.00), shall be payable to the Permanent Secretary in the Ministry, on submission of the application.

Information in support of bid

8. Every bid shall be accompanied by the following:

(a) a signed declaration, indicating that the Model PSC has been examined and the terms agreed, to be presented in the form attached hereto as Schedule III;

Schedule III

(b) a summary of the proposals in respect of items referred to in clause 11(1) presented in the prescribed manner indicated in the Summary Bid Form attached hereto as Schedule IV;

Schedule IV

(c) cash flows in respect of the commercial evaluation presented in the prescribed manner indicated in "Form A" attached hereto as Schedule V;

Schedule V

(d) documents demonstrating the legal identity of the bidder or bidders;

(e) evidence of technical capacity, competence and experience in petroleum operations and related activities of the bidder or bidders;

(f) information regarding the corporate and financial structure and backing of the bidder or bidders; and

(g) such other details as the bidder may consider relevant.

Separate contract for each block Schedule I

9. A separate production sharing contract will be issued in respect of each block described in Schedule I.

Maximum usage of local content

10. A bid proposal shall provide for the maximum utilization of services and facilities available in Trinidad and Tobago in both the exploration and production phases of the contract.

Requirement  
for Bid

11. (1) A bid shall conform to the provisions of the Model PSC referred to in clause 6(b) and shall contain proposals in respect of the following:

- (a) a technical and commercial evaluation of the block which represents the bidder's interpretation of the hydrocarbon and commercial potential of the area;
- (b) a commitment to a work programme, ("the Minimum Work Programme") which represents the applicant's best efforts to explore the contract area based on his technical evaluation of the block;
- (c) a commitment to spend such sum of money ("the Minimum Expenditure Obligation") as shall be necessary to complete the Minimum Work Programme; and

Schedule IV

- (d) proposals, in the form set out in Schedule IV, for the sharing of petroleum produced from the contract area.

(2) Bidders shall be required to make an oral presentation in support of their technical and commercial evaluations referred to in subclause (1)(a).

(3) Where more than one bidder for a particular block are awarded the same number of points, each such bidder shall be required to bid a signature cash bonus for the purpose of determining the preferred bidder for that block.

(4) A bid proposal shall be evaluated on the basis of—

- (a) the provisions outlined in the Model PSC referred to in clause 6(b); and
- (b) a points system to be used for evaluating Bids set out in Schedule VI.

Schedule VI

Announcement  
of successful  
bids

12. Successful bids shall be announced within eight months after the date of publication of this Order.

Requirement  
of successful  
bidders

Chap. 81:01

13. (1) A successful bidder wishing to be granted a production sharing contract shall—

- (a) execute such production sharing contract with the State within thirty days of the notification of the successful bid;
- (b) before commencing petroleum operations in the contract area, register under the Companies Act or be incorporated there-under;
- (c) deliver to the Minister on the effective date of the production sharing contract, guarantees for the—
  - (i) total amount of the Minimum Expenditure Obligation in the form of a bond, banker's guarantee or other form of guarantee acceptable to the Minister; and
  - (ii) sum of four hundred thousand dollars in the currency of the United States of America (US\$400,000.00) for the performance of any other obligation under the contract, in cash, securities or other form of guarantee acceptable to the Minister;
- (d) maintain such separate books of accounts with respect to petroleum operations in the contract area as may satisfy the Minister to whom responsibility for finance is assigned; and
- (e) participate in the "National Oil Spill Contingency Plan of Trinidad and Tobago".

(2) The Model PSC and the bid proposal of the bidder pursuant to this Order shall be the basis for the issue of the production sharing contract to be entered into between the President, the Minister and successful bidder or bidders.

(3) Failure to execute the contract referred to in clause 13(1)(a) within thirty days of receipt of notification of the success of the bid may result in the non-issue of the contract.

Issue,  
renewal and  
termination  
of production  
sharing  
contracts  
Schedule I

14. (1) A production sharing contract shall be issued initially for a period of nine years, in respect of each block listed in Schedule I, but upon the achievement of a commercial discovery, it may be renewed as to that part only of the contract area in which a commercial discovery has been made for a term of thirty years from the effective date of the contract.

(2) Where a commercial discovery is not achieved within nine years, the contract referred to in subclause (1) shall terminate automatically.

Application  
for prequali-  
fication for  
operatorship

15. A bidder wishing to be considered for operatorship shall apply for prequalification on or before the date specified in clause 4(1).
