Our policy is to answer all requests, both oral and written, for information. The FOIA sets a time limit of thirty (30) calendar days from the date the request was received. However, in order to have the rights given to you by the FOIA (for example the right to challenge a decision if your request for information is refused), you must make your request in writing. The applicant must, therefore, complete the appropriate form (Request for Access to Official Documents) available in our **Reception area**, or from one of our office staff for information that is not readily available to the public.

**▪ Addressing Requests**

To facilitate prompt handling of your request, please address it to the Designated Officer of the MBTT (**see Section 7 (1) (a) (vi) for further details**).

**▪ Details in the Request**

Applicants should provide details that will allow for ready identification and location of the records that are being requested. If insufficient information is provided clarification will be sought from the applicant. If you are not sure how to write your request or what details to include, communicate with our Designated Officer.

**Requests not handled under the FOIA**

- A request under the FOIA will not be processed to the extent that it asks for information which is readily available to the public, either from this public authority or from another public authority, for example brochures, pamphlets, reports etc.

### Responding to your Request

#### ▪ Retrieving Documents

The public authority is required to furnish copies of documents only when they are in our possession or we can retrieve them from storage. Information stored in the National Archives or another storage center, will be retrieved in order to process your request.

Prior to the commencement of the Freedom of Information Act, 1999 old records may have been destroyed. The granting of a request for such documents may, therefore be impossible. Various laws, regulations and manuals give the time periods for keeping records before they may be destroyed. For example, The Exchequer and Audit Act, Chap. 69:01

#### ▪ Furnishing Documents

An applicant is entitled to copies of information we have in our possession, custody or power. We are required to furnish only one copy of a document. If we cannot make a legible copy of a document to be released, we may not attempt to reconstruct it. Instead, we will furnish the best copy possible and note its quality in our reply.

Please note we are not compelled to do the following:

- (a) Create new documents. For example, we are not required to write a new program so that a computer will print information in the format you prefer.
- (b) Perform research for you.

### Time Limits

#### ▪ General

The FOIA sets a time limit of thirty (30) calendar days for determination of your request for access to documents. If we fail to meet this deadline, the FOIA gives you the right to proceed as though your request has been denied. We will try diligently to comply with the time limit. If it appears that processing your request may take longer than the statutory limit, we will acknowledge your request and advise you of its status. Since there is a possibility that requests may be incorrectly addressed or misdirected, you may wish to call or write to confirm that we have received the request and to ascertain its status.

769—Continued

- **Time Allowed**

We will determine whether to grant your request for access to information as soon as practicable but no later than 30 days from the date the request was received as required by Section 15 of the FOIA.
