THE GOVERNMENT OF THE REPUBLIC OF TRINIDAD AND TOBAGO (GORTT) is embarking on a Support for a Seamless Education System Programme and has accessed partial funding from the IDB to implement this programme. The programme is in keeping with one of the mandates of GORTT's Strategic Plan—Vision 2020—which is to establish a world class, self renewing and seamless education system for Trinidad and Tobago.

Through the Support for a Seamless Education System Programme, the GORTT will ensure a well articulated and harmonized education system ranging from the early childhood care and education through the secondary levels with the linkages to the tertiary level and the world of work. The Programme will implement measures aimed at improving quality, equity and access throughout the education sector. Such measures include the development and implementation of a proposal to develop/revise the primary level curriculum, expansion of the Early Childhood Care and Education (ECCE) subsector, enhancement of Teacher Education and Inclusive Education.

In this regard, the Central Tenders Board invites eligible consulting firms/universities to indicate their interest in providing technical assistance to facilitate the implementation of the programme in the following four (4) subject areas:

They should also indicate that they have the financial and management capacity to execute the assignment.

Consulting firms/universities may associate with other personnel/firms to enhance their qualifications.

Selection will be done in accordance with the policies of the IDB detailed in the "Policies for Selection and Contracting of Consultants financed by the IDB" which can be found at website: <http://www.iadb.org/procurement>.

The selection criteria include the following:

- An understanding of the work required in the areas of interest.

- Similar experience in the required area of work in developing countries.
- Current work load (to be demonstrated by the number of on-going assignments).
