TIME LIMITS

GENERAL

The FOIA gives a stipulated time for the MOCD to determine whether to disclose or refuse access to the requested documents. If the Ministry fails to meet this deadline, the FOIA gives the applicant the right to proceed as though the applicant's request were denied. The MOCD will try diligently to comply with the time limit. If it appears that processing the request is taking longer than the statutory limit, the Ministry will acknowledge and advise the applicant of its status. Since there is the possibility that requests may be incorrectly addressed or misdirected, the applicant may wish to call or write to confirm that we have received the request and to ascertain its status.

TIME ALLOWED

The MOCD will determine whether to grant the request for access to information as soon as practicable but no later than (30) calendar days from the date the request was received, as required by Section 15 of the FOIA. If a decision is taken to grant access to the information requested, the applicant will be permitted to inspect the documents and/or be provided with copies.
